- The Onyx Zion Landfill at 701 N. Green Bay Road, Zion, Tel # 847-731-5110
- Pheasant Run Landfill at 19414 60th Street, Bristol Wisconsin, Tel # 262-857-7956.

Hours of operation for drop off are:

- Countryside Landfill: M-F 6:00 a.m. to 3:00 p.m., Sat. 7:00a.m.to 11:00 a.m.

or business. Materials not accepted include hazardous wastes, liquid wastes, car batteries, tires, appliances and yard wastes. Wear proper clothing including appropriate footwear, such as boots, as each individual is responsible for unloading his/her own materials.

Residents of Zion and Waukegan can dispose of their waste materials at the Zion Onyx Landfill at no cost provided they show proof of residency and proof of auto insurance.

The Health Department reminds residents to not leave trash bags at the curb unless you know there is a garbage pick-up planned. If you have any questions or need additional information, please contact the Solid Waste Unit of the Lake County Health Department/Community Health Center at: (847) 377-8016.
